

ANNA

The Year in ANNA History

Looking Back: 1990-1991

*Sally Burrows-Hudson
President*

The Year in Review

- The Association's membership grew to 6,400 members under President Sally Burrows-Hudson.
- ANNA initiated and sought Congressional approval for the Nephrology Nursing Demonstration Project.
- The BSN criteria for nephrology nursing certification was formally approved.
- ANNA chaired the NFSNO Health Policy Committee.
- The Association approved development of a Conceptual Model for Nephrology Nursing.
- The first ANNA audio-teleconference educational programs were conducted.
- The "For Chapters Only" leadership development program was created.
- ANNA established positions on HIV, the worldwide nursing shortage, substance abuse, transplant of living related organs, staff-assisted home hemodialysis, and the use of epo.
- A standardized analysis of State Nurse Practice Acts was begun.
- The successful 22nd National Symposium was held in San Francisco in April 1991 with more than 2,000 members in attendance.
