Dear Name:

Thank you for your 2024 support of the American Nephrology Nurses Association (ANNA) and the profession of nephrology nursing.

ANNA is a 501(c)6 non-profit, non-partisan organization well-positioned to support nephrology nurses and to provide them with the most robust educational, advocacy and networking offerings that allow them to provide the highest quality of care to their patients. We cannot, however, do this important work without the support of our corporate partners.

ANNA is grateful for the role our Corporate Members have played and is pleased to invite your organization to partner with ANNA as a Corporate Member.

There are three levels of corporate membership available:

- Corporate-Plus Membership – Annual Contribution of \$10,000 *
- Corporate Membership – Annual Contribution of \$5,000
- Sustaining Membership – Annual Contribution of \$2,500

Those joining at the Corporate-Plus level in 2025 will be invited to participate in ANNA's **Partnership Advisory Council** which will meet in person together with the ANNA Board of Directors for a 1-hour meeting at the National Symposium, May 1-4, 2025, in Portland, Oregon.

We hope you will consider partnering with ANNA and the profession of nephrology nursing by becoming a 2025 ANNA Corporate Member. For your consideration, a copy of the benefits of each level of support is attached.
