Chapter members enjoyed a delightful business and educational meeting in December 2019. In addition to great food, fellowship, and gift bags, members hosted a CNE event and reviewed a Nephrology Nursing Journal article entitled “Symptoms, Coping, and Quality of Life of People with Chronic Kidney Disease.” Acute and chronic nurses could relate to this topic, and we had a lively discussion.

We also held elections for chapter officers. Current officers will continue in their roles for another term: President Thelma Cunningham, Treasurer Florence Norris, and Secretary Susie Carswell. The roles of president-elect and health policy representative remain open and are ready for you to step up and fill them! Mentoring is available. If you are interested, please contact one of the chapter officers.

We continue to solicit ideas for ways to serve chapter members and the renal community. We welcome your ideas and participation! Join us as chapter members participate in the annual Kidney Walk in March.

Hazel Taylor #239

Chapter officers met in December and January to plan for the new year. We encourage chapter members who would like to get involved to assist with planning. We welcome your participation. Please contact an officer for more information.

On February 28, Dr. Jane Davis presented The Nurse Perspective: Elevating the Critical Role of Nurses in the Management of Secondary Hyperparathyroidism at the Ruby Sunshine Café.

Desert Vista #501

Our chapter ended 2019 with a holiday event, which included a presentation by AstraZeneca on The Burden of Hyperkalemia and Clinical Overview of LOKELMA®. The speaker was Dr. Laura Westfall. After the presentation, we played nephrology bingo, and one lucky attendee won a free ANNA membership.

Chapter officers met in January to make plans for 2020. On February 20, we hosted a presentation on Acute Kidney Injury: Hepatorenal Syndrome. A survey will be sent to chapter members about their requests from our chapter (please respond to assist with further planning!) and assisting NKF with the Kidney Walk fundraiser.

We look forward to seeing our members at future events.

Nephros South #506

On February 19, we hosted our first educational meeting of 2020. The dinner event sponsored by Otsuka Pharmaceutical included a presentation by Dr. Samantha Sweeney, Sahar Salehi Medical Liaison Director, on Major Depressive Disorder in Chronic Kidney Disease.

At our business meeting on February 7, chapter officers reviewed the activities from last year and planned for 2020. One of our goals for 2020 is to recruit new officers to replace our dedicated retirees. We remain committed to our mission to provide educational opportunities to our members that will inspire them to make an IMPACT as we navigate the changes in nephrology care.

ANNA President Lillian Pryor’s message in the January/February 2020
issue of the ANNA Update was very insightful. We are all tasked to take Initiative in ANNA and in the workplace, to Mentor new nephrology nurses and technicians, to Partner with multidisciplinary renal team members to create a whole health environment, to Ask questions that promote best practice, to Collaborate with industry agencies to improve kidney care, and to Transform our own workplaces to meet the challenges for providing safe patient-centered care. These are goals that can be achieved if we all make an IMPACT.

South Florida Flamingo #206

Welcome to our new chapter members: Pedro Hernandez, Beatrice Jean-Francois, and Chevonne Lezama. We look forward to seeing you at chapter meetings and events.

Congratulations to Shushanne Wynter-Minott for being featured in the ANNA Member Spotlight in January.

Congratulations to our new officers for 2020-2021: President Debra Hain, President-Elect Daniela Chetan, Secretary Angie FuenMayor, Treasurer Linda Boucher, Health Policy Representative Pamela DePiola, and Community Service Leaders Shushanne Wynter-Minott and Karen Hill.

We held three educational dinners in the tri-counties. On January 21, attendees enjoyed a wonderful meal at Chops Lobster Bar in Boca Raton, FL. Our host was Cris Gibson from Amgen who spoke about Calcification in Hemodialysis Patients. On February 4, attendees met at Timpano Italian Chophouse in Fort Lauderdale for a presentation on Autosomal Dominant Polycystic Disease presented by Dr. Aaron Emmel. On March 24, a presentation will be held at Ruth Chris Steakhouse in Coral Gables, Miami.

Members enjoyed a Nephrology Education Day with CNE credits at Hollywood Memorial Hospital on March 7. Lunch was provided by Amgen. Thank you to Amgen for their support. We also held three fundraisers and raffled beautiful gift sets to sponsor the attendee T-shirts for the ANNA National Symposium in Orlando. We are all looking forward to the symposium.
Suncoast #213

The chapter held a post-holiday celebration at the home of President Cindy Toombs. The small gathering of current officers and members had a great time. Our chapter held meetings during the Florida Society of Nephrology Annual Conference in January in St. Petersburg, FL. We had a good turnout. We are going to be contacting volunteers to help with a fundraiser booth at the ANNA National Symposium in Orlando. Save the date! Watch for more information about our chapter meeting to be held July 17-19 in Ruskin, FL.

Our chapter is looking forward to a new year with our chapter member Lillian Pryor as ANNA National President. Lillian has already made an “IMPACT” as we begin 2020. We are going to take Initiative to Mentor through Partnering with other organizations and Asking questions to strengthen our practice as we Collaborate to improve our patient’s health care and ultimately Transform our nephrology practice!

On January 16, we enjoyed our first educational event of the year at Preferred Vascular Access where Dr. Perry presented a talk on AV fistula and percutaneous peritoneal dialysis catheter placement. Thanks to Crystal Gaither for partnering with us to offer this presentation. A new year brings new members! Welcome to Kelsey Gagnon, Lekha Penattukalapurayil Mani, Thuy-an Nguyen, and Shanna Standifer-Reynolds. We look forward to answering any questions you may have at our meetings and events. Thank you to our presenters at the Leap into Certification Review on February 29, including Ann Horigan, Rowena Elliott, Stacey Lane, Marlene Currier, Elizabeth Santa, Alicia Carson, Beth Hudson-Weires, and Becky McKeen.
Chapter Update

As we celebrate the Year of the Nurse in 2020, we challenge you to transform your practice as we meet together in Orlando at the ANNA National Symposium. The Dogwood Chapter looks forward to recharging and igniting our commitment to make an “IMPACT” in our patients’ lives and our world!

Windy City #305

Congratulations to our chapter officers for the 2020-2021 ANNA year. All were appointed to their positions as our chapter did not have enough candidates to field an election ballot. Welcome to President Kristin Beth Uebel, Treasurer Melissa Vester, Secretary Dean Baron, and Health Policy Representative Debra Ann Kaiser.

Their terms of office will begin in April. Contact any officer through our chapter Facebook page at www.facebook.com/ANNAwindycity (emails are under the “about” tab).

Our newest officer, Dean Baron, is the Clinical Coordinator at Loyola University Medical Center and has been an ANNA and chapter member since 2015. He is also the secretary/membership chair of the Philippine Nurses Association of America. Dean also teaches the Dialysis Technician Program at Triton College. A chef prior to his nursing career, he is currently pursuing his MSN. Past secretary Gary Reschak will continue as an active chapter member and “auxiliary officer.”

As this article went to press, plans were being finalized for a spring chapter educational/dinner program, most likely to be scheduled at a location in the suburban Chicago metropolitan area. Once the program is finalized, members will be informed through ANNA Connected and our chapter Facebook page.

If you have not already done so, register for the 2020 ANNA National Symposium in Orlando. If you cannot attend the symposium, start planning now for the 2020 Nephrology Nursing Practice, Management & Leadership Conference in Chicago on October 17-19. The Windy City Chapter is the host chapter for this year’s conference! Visit the ANNA website for more details on these national events.

Our chapter is still planning for our annual Back to Basics: Nephrology Nursing Review program this summer as well as a fall dinner/educational program. If you would like to assist in planning either of these programs, please contact a chapter officer.

New ideas, new topics for programs, new places to meet, as well as new officers and members are always welcome. Our chapter is only as much fun and educational as our most active members. Get involved! You are never alone in the ANNA Windy City Chapter. Contact a chapter officer today to volunteer or share your thoughts.

Michiganna #312

The new year for ANNA will officially begin with the 2020 ANNA National Symposium in sunny Orlando. Our chapter will be well represented, and two members will be receiving ANNA Clinical Practice Grants at the Nephrology Nurses Recognition Luncheon. Congratulations to Nikeyia Davis and Terrie Colvard! After the meeting, view our Facebook page – Michiganna Chapter 312 American Nephrology Nurses Association – for photos of the symposium fun.

On March 22, our chapter will host a Spring Nephrology Nursing Symposium in Livonia, MI. Two 1-year ANNA memberships will be raffled during the meeting.

More educational opportunities will be planned throughout the spring and summer seasons. As members, you are the eyes and ears for ideas and suggestions for topics of interest. If you have a suggestion or would like to help plan an event, please contact the chapter officers at 312.MichigANNA@gmail.com

Upcoming community events include the NKF of Michigan Kidney Walk at the Detroit Zoo on May 17. Form a team with your coworkers to enjoy the fun with family while supporting NKF with donations. Another NKF opportunity is to help with the Kids Camp on July 5-10 in Fenton, MI. More information about the camp will be sent out via ANNA Connected.

Minnesota

Southeast Minnesota #316

The chapter officers and conference planning committee are looking forward to hosting our Spring Conference at the Doubletree Hotel in Rochester, MN, on May 16-17. Plan to attend the Saturday evening social hour as well as the educational presentations starting Saturday evening with Urine Inspiration by Sam Trevino. The learning will continue on Sunday with a full day of topics including Survey Readiness, Food for Kidney Failure, Renal Failure and CKD, Pediatric to Adult Dialysis, and Transplant Issues. Attendees will have an opportunity to network, enjoy great meals, and enter gift drawings. Look for the brochure and registration information on ANNA Connected. Share the conference information with your peers. We look forward to seeing you!

Our incoming chapter officers will attend the 2020 LEAD Workshop in Orlando. This is an opportunity to learn and network with other leaders. The workshop also helps members find the resources and connections that make for a good leadership experience! If you will be attending this year’s National Symposium, please find us and introduce yourself.

Members are welcome to contact any chapter officer to suggest education topics. We are easy to find! Contact us at

Our chapter held an educational dinner program, The Nurse Perspective: Elevating the Critical Role of Nurses in the Management of Secondary Hyperparathyroidism, at Cyrano’s Cafe on January 23. In spite of snow and ice, the educational meeting was well attended with 22 participants. Quite a testament to the fortitude of dialysis professionals! The speaker was our own Annette Hood. Thank you to Lisa Koester and Cyndi Hart for promoting this program and bringing guests to the event!

Retrophin sponsored an educational dinner program on Suspecting and Managing Rare Kidney Stones at Maggiano’s Little Italy on February 25.

Our chapter is looking for volunteers to participate in planning this year’s Fall Nephrology Education Day. This is an all-day event offering contact hours. Planning meetings will be advertised via ANNA Connected, and your participation is needed to make this the best fall education day yet.

Our chapter is collaborating with NKF in supporting kidney patients and promoting kidney health awareness through member participation at the Advocacy Day at the Missouri State Capital on World Kidney Day, March 12, and by having a team participate in the St. Louis Kidney Walk team on March 29.

Welcome to our new members and thank you to our veteran members. You are the reason we have a vital chapter!

Our chapter kicked off the new year with an educational program titled The Nurse Perspective: Elevating the Critical Role of Nurses in the Management of Secondary Hyperparathyroidism presented by ANNA in collaboration with Amgen. The presentation was followed by a CE
Our January educational event at Chama Gaucha Brazilian Steakhouse, where Dr. Pablo Pergola spoke on "Rethinking the Approach of Treating Hyperkalemia." The event brought in 40 attendees who were enlightened and educated on a very serious subject and also treated to a five-star meal.

Our February event provided attendees with valuable and potential career advancing information. We held a certification review for the CNN and CDN examinations. Sixty attendees (presenters included) from our region enjoyed a full day of education, food, and fun. Thank you to numerous sponsors who provided the meals and door prizes. Our past president, Gail DeWald, chaired the event and recruited many talented and knowledgeable speakers in their respective discipline.

Attendees left the event enlightened with information and more confident in their preparation to become certified.

Our March educational meeting was held at Fleming’s Steakhouse at the Query Market. Maya Floyd from Amgen hosted the meeting, and Dr. Christopher Glanton presented "Hyperplasia and PTH." Thirty-six attendees were treated to an evening full of valuable patient care information as well as a great meal.

Thank you to our event sponsors and to President-Elect Annabel Campbell, who organizes and schedules these monthly events.

Intercontinental Hotel Houston Medical Center. Dr. Ahmed Kamel discussed the BD WavelinQ™ 4 French (4F) endoAVF system, which is a device used to create an AV fistula without the need for open surgery. Dr. Kamel reviewed clinical data, patient benefits, and the educational training available to support the development of endoAVF programs. Over 50 members attended the program.

Election results were finalized on January 1. Alejandro “Alex” Hagad has been elected to serve as health policy representative. Congratulations to our new president-elect, Tanya Scott. Aelyn Abardo will transition from president-elect to president, and Marchelle Galang will continue to serve as treasurer for another year. We extend our gratitude and appreciation to outgoing Health Policy Representative Rowell Sadumiano. Thank you also to Genene “Joy” Bakare for her candidacy and other members who participated in the nomination process.

Wisconsin

Wisconsin #304

Plans for our Nephrology Update 2020 continue. The program will be held at Northcentral Technical College in Wausau, WI, on April 28. Topics include items in the recent Executive Order: transplant, home dialysis, slowing the progression of CKD, and reduction of long-term catheters. Other topics include professionalism, acute dialysis, situational awareness, and end-of-life discussions. Plan to take the day off to earn CNE credits for certification!

We collaborated with the NKF of Wisconsin on their symposium held in November 2019. We will be working with them again this year for the symposium in November.

Puerto Rico

Caribbean #210

Our chapter held our first meeting of 2020 and celebrated our new chapter officers: President Rebeca Rodriguez, President-Elect Elizabeth Gines; Secretary Emily Martinez, Treasurer Lesly Delgado, and Health Policy Representative Marien Saade.

We collaborated with other organizations to provide supplies to those affected by the earthquake in the south of Puerto Rico.

We are planning an educational program for March to discuss the changing role of nephrology nurses in the home dialysis era. The program will offer 6.0 contact hours.

We celebrated the achievements of chapter member Rita De Jesus as she retires. She has been a loyal and committed chapter member since 1989 and has served on numerous occasions in a variety of roles. We are proud of her legacy in our chapter.
