Alabama

Hazel Taylor #239

Welcome to our new chapter officers: President Patti Patterson, President-Elect Jamie Mauldin, Health Policy Representative Tanisha Leonard, Treasurer Sara Kennedy, and Secretary Cindy Richards. In addition, Kimberly Whitt and Dr. Angie Kurosaka are serving on our chapter program committee.

We had a busy spring, with several successful dinner meetings. Chapter officers attended the virtual Leadership Education and Development (LEAD) orientation meetings to help them be more successful in their roles.

The chapter is looking to help host dinner meetings in Huntsville, Tuscaloosa, and Mobile for our chapter members and other nephrology nurses in those areas. If you live in one of those areas and are interested in being the contact person, contact Cindy Richards (cindy.richards@childrensal.org) or Sara Kennedy (sarakennedy@bellsouth.net). We want to invite our members who live in other major cities. If you live in another area (Pensacola, Hattiesburg, south Mississippi, Gadsden) and are interested, we will be glad to collaborate to hold a meeting in the area.

The chapter is planning our 38th Annual Nephrology Update for October 14. Several great topics and speakers are in the works. Mark your calendars now and watch for more information. We are exploring ways to make this accessible to chapter members who live a little farther away, too. If you have suggestions, please let us know.

Arizona

Desert Vista #501

Welcome to all our new chapter members!

Our chapter officers for this year are President Gloria Haught, President-Elect Deb Bakken, Treasurer Connie Kathol, Secretary Minerva Rodriguez, and Health Policy Representative Virginia Henry, Sheila O’Day is our education assistant. Thank you to Cindy Schneider, our previous chapter president, and Courtney Eddy, previous health policy representative, for their years of service prior to and during the COVID-19 pandemic.

Chapter members met in February to start on plans for 2022. We held our first educational offering on Fluid Management during Hemodialysis on May 5. Chapter members participated in the local Kidney Foundation Kidney Walk on May 15. Some chapter members also attended the ANNA National Symposium in Fort Worth, TX.

Please check your email for information on our educational offerings and gatherings. We use ANNA Connected to share information about chapter events.

California

Nephros South #506

In February, we welcomed 40 members from the former Silver State Chapter into the Nephros South Chapter. Understanding this is a long-distance challenge for members in Nevada, our chapter officers are exploring ways to engage and include these nurses in chapter educational activities. Having navigated the obstacles for providing education during the COVID-19 pandemic, we are more familiar with virtual meetings and invite our Nevada colleagues to participate, at least virtually, in upcoming activities. A warm welcome to all of our new members, near and far!

We were excited to hold our first in-person educational meeting of 2022 on March 22 at Eddie V’s restaurant at San Diego Harbor. Dr. Michael Quadrini presented Parasabiv Clinical Case Studies in an interactive virtual format. We enjoyed the camaraderie of friends and colleagues while enjoying a delicious dinner and a fun raffle. Finally moving beyond the social isolation of COVID-19, we can plan more in-person educational events in the near future and hope to engage our new members.

As we look to the future in our professional and personal lives, it is good to appreciate the journey we have traveled together and all the people who have touched our lives, especially over the past 2 years. Here are some things to consider:

- Take nothing for granted.
- Adapt to change with an open mind and heart.
- Expect surprises.
- Savor the simple joys of life.
- Show gratitude and empathy.
- Take time for self-care.

Connecticut / Massachusetts

Southern New England #135

At the end of 2021, our former chapter officers decided to retire after many years of service. Other chapter members agreed to step into the officer roles to keep the chapter going. Recently, the incoming chapter officers met with the former officers for a business meeting in Providence, RI. The new officers are busy learning their roles and planning educational events. The new officers are President Melissa Tilley, Secretary Shannon Norris, Treasurer Jenna Bristol, and Health Policy Representative Janice Boyle.

The new officers wish to extend sincere thanks and appreciation to the
previous officers for their many years of service and dedication to the chapter:
• **Dana Grady**, president, served 21 years
• **Patricia Sordillo**, president-elect, served 21 years
• **Deb Ware**, secretary, served 21 years
• **Inez Harrington**, treasurer, served 16 years
• **Debralee Quinn**, health policy representative, served 4 years

These officers organized many well-attended events and educational programs for our chapter.

**Florida**

**South Florida Flamingo #206**

The chapter is proud to recognize members **Kylie Turnquest** and **Sherise Dawkins** for the support they have been giving at The Kidney Centre, Freeport Bahamas. Kidney health is truly a global concern, and we commend the efforts of these two dedicated nurses.

The West Palm Kidney Walk was held on March 26 at John Prince Park in Lake Worth and the Miami Kidney Walk was held on April 24 at Coral Reef Park in Palmetto Bay. Thank you to all members who volunteered or participated.

Welcome to our new members: **Yuleisy Gonzalez Garcia** and **Kathleen McIntyre**. We encourage everyone to support them as they learn all that ANNA has to offer and introduce them to our chapter’s networking opportunities.

Vifor Pharma sponsored our educational meeting at the popular City Fish Market in Boca Raton, FL, on March 1.

South Florida Flamingo chapter members attended an educational dinner hosted by Bayer Pharmaceuticals at Season 52 in Boca Raton, FL, on March 15. Pictured (from left) are chapter officers and raffle winners: Daniela Chetan, Karen Hill, Andrea Parchment, Jessica Eggleton, Linda Boucher, and Pamela DePiola.

Congratulations to Kenneth Miller (center), one of the raffle winners at a South Florida Flamingo chapter educational dinner sponsored by Vifor Pharma on March 1. Also pictured are chapter officers Pamela DePiola and Linda Boucher.

Joseph Anunciacion (center) was a raffle winner at an educational dinner hosted by the South Florida Flamingo Chapter on March 1. Also pictured are chapter officers Linda Boucher and Pamela DePiola.
John Williams gave an informative lecture entitled *Clinical Overview of CKD-associated Pruritis*. As always, raffle and door prizes were given out and appreciated by attendees.

On March 15, Andrea Hoogwerf with Bayer Pharmaceuticals presented *Cardiovascular Risk in Type 2 Diabetes* at Seasons 52 in Boca Raton. Everyone enjoyed the evening and learned new information on a subject not often addressed at our meetings. The raffle fundraiser and door prizes were a lot of fun.

Our third educational meeting in March was held on March 21 at Tarantella Ristorante in Weston, FL. Myriam Alfonso and Veloxis Pharmaceuticals hosted a presentation by Dr. Alvin Wee on *Medication Adherence in Kidney Transplant Recipients: Conversation and Controversy in Immunosuppression*. There were a lot of questions and a thought-provoking discussion. The successful night ended with a raffle and door prizes.

On April 19, Dr. Cris Gibson and Amgen Pharmaceutical hosted our meeting on the topic, *Overview of SHPT*, at Cafe Vico Restaurant in Ft. Lauderdale, FL. We shared information about the 2022 ANNA National Symposium and hope some chapter members were able to attend. Raffle and door prizes were awarded.

Watch for announcements about upcoming educational meetings on ANNA Connected and our chapter Facebook page.

---

**Georgia**

**Dogwood #224**

Our chapter held its business meeting on April 14 at Ruth’s Chris Steak House in Atlanta. Thank you to all our members who attended the meeting, and welcome to our new members. Thank you also to our sponsor Vifor Pharma and John Williams, Senior Medical Science Director at Vifor, for the very interesting presentation entitled *A Clinical Update in CKD-associated Pruritis*.

Dr. Loretta Jackson Brown spoke during a webinar on April 22. She explored how social determinants of health and systems of inequality are significant drivers of unfair and preventable differences in health outcomes. The webinar offered 1.0 contact hour for nurses.

The Dogwood Chapter held a business meeting at Ruth’s Chris Steak House in Atlanta in April.

Dogwood chapter members enjoyed a presentation sponsored by Vifor entitled “A Clinical Update in CKD-associated Pruritis” during a meeting in April.

Dogwood chapter members gathered for dinner, networking, and a presentation at Ruth’s Chris Steak House in Atlanta in April.
We appreciate all the hard work of Deborah Degree, Lillian Pryor, and Angela Taylor in leading our chapter.

**Kentucky**

**Bluegrass #322**

The chapter has already held four educational meetings this year. We joined the Kentucky Nurses Association for Nurses Day at the Capital to speak with our state legislators on issues that impact nursing. We celebrate our staff and patients every day, but particularly during National Kidney Month in March. We participated in the National Kidney Foundation Patient Summit and spoke with national leaders on issues facing our patient population and ways we need Congress to act to alleviate some of the challenges our patients face. We look forward to an active and productive year.

**Maryland**

**Baltimore #101**

Chapter members were delighted to enjoy a great meal at Seasons 52 in Columbia and learn new discoveries about pruritus in chronic kidney disease. Thank you to Dr. Shonda Hampton for providing the information.

Our chapter is always looking to expand. Please contact us at baltimoreanna@gmail.com with ideas, or if you would like to join us.

**Michigan**

**Michiganna #312**

On March 27, the chapter held an educational meeting at a restaurant in the metro Detroit area where information was shared on how the FDA recently approved certain medications to address CKD-associated pruritus (CKD-ap). Approximately 30 nephrology professionals attended.

Laura Bartnik-Walton stepped into the role of chapter president after the very successful and meaningful leadership of Nikeyia Davis. We wish the best to our new president and look forward to continuing the chapter's success and learning opportunities during the next 2 years.

Michigan Governor Gretchen Whitmer proclaimed March 11 as “Kidney Day” to recognize and raise awareness of kidney disease and the importance of prevention and early detection. To celebrate Kidney Month in March, educational flyers were created for social media and sent to members to raise awareness about improving CKD diagnosis and treatment, increasing access to home dialysis for diverse populations, and reducing the rate of kidney disease in African Americans.

Congratulations to Chapter Co-Secretary Gerardo Infante, who was awarded the New to Nephrology Practice Award at the 2022 ANNA National Symposium.
Chapter Update

Missouri

St. Louis Metro #307

On March 24, our chapter participated in an education dinner at Helen Fitzgerald’s Irish Grill hosted by Pentec Health. Tricia Fuhrman presented AKI: Transition from ICU to the Dialysis Center. Participants received 1 contact hour. Thank you to all our members who were able to attend as this program was rescheduled from February due to an ice storm.

On March 27, our chapter participated in the National Kidney Foundation (NKF) St. Louis Kidney Walk as an advocacy activity. Our chapter raised over $1,000 in support of NKF. Thank you to all our members who donated their time and funds and to all who participated in spirit!

In May, our chapter is looking forward to a dinner program in St. Louis, MO, hosted by Vifor Pharma Group to learn about a new medication that helps dialysis patients deal with itching not related to inadequacy, and a contact hour dinner program in Columbia, MO, provided by Pentec Health.

Lifetime Achievement Awards will be presented at the next chapter meeting in May. Stuart Mott and Kathleen Ehrhard will receive awards for their lifetime of service to nephrology nursing. Thank you for your service and dedication!

Did you know our chapter has members from Arkansas, Iowa, Illinois, Indiana, and Missouri? With such a widespread membership, we are trying to get to know each other better through “A Minute with a Member.”

Denise Eilers is a nurse who lives in Iowa. She was a member of the Heart of Illinois Chapter for approximately 10 years (until the chapter was reassigned to St. Louis Metro) since there is no chapter in Iowa and she grew up in Springfield, IL. She served as the health policy representative for a couple of years and spoke at a chapter meeting about her experience in dialysis.

Denise’s nephrology work is a bit different than most nurses. Her nursing background includes long-term care, as the director of nursing and then administrator of a 120-bed facility in East Moline, IL, and then teaching for about 17 years as the Coordinator of Health Occupations at United Township Area Career Center, also in the Illinois Quad Cities. That role involved not only heading up the program but also teaching the CNA course and other dual credit classes.

Denise’s association to the kidney world is very personal. For 25 years, she was the home hemodialysis care partner for her late husband, who was a poster boy for living the good life despite kidney disease. He worked full-time as an accountant and chief financial officer of a multi-state company, played golf, volunteered in the community, and much more. That life defined him, NOT his kidney disease. After his death from an unrelated issue, Denise decided she had a rather unique perspective, both from the nursing aspect and through personal involvement. She has spoken across the county and written about their journey with home dialysis as well. Denise is the past president and a board member of Home Dialyzors United, a patient-led organization that advocates for and educates the home dialysis community. She also serves on the board of NKF Iowa, is a past member of the American Society of Nephrology Patient and Family Partnership Council, and is involved in other groups as well.
Chapter Update

**New Jersey**

**Jersey North #126**

Our chapter hosted a successful educational day at Ravello Banquets on March 24 with a total of 71 participants, including nurses and technicians, and 10 vendors. We welcomed our new chapter officers: President Alice Hellebrand, Secretary Cathy Picarelli, President-Elect Madeline McLoughlin, Health Policy Representative Jamie Bellucci, and Treasurer Eileen Giordano.

Congratulations to the lucky prize winners at the event:

- **Daisy San Pablo**, Core Curriculum for the Dialysis Technician
- **Maura Clancy**, Contemporary Nephrology Nursing, 4th Edition
- **Teresa Husband**, a gift bag provided by Pentec Health
- **Rodel Barongan**, a gift bag provided by Pentec Health

Thank you to our speakers: Dr. Mark Song, Annabelle Perez, Dr. David Castillo, Madeline McLoughlin, Alice Hellebrand, Dr. Timothy Nguyen, and Dr. Namrata Jain.

Thank you also to our vendors: Alexion Pharmaceutical, Amgen Nephrology, AstraZeneca, Azure Access, Calliditas Therapeutics, DialyzeDirect, Hackensack Transplant, Pentec Health, and Penn Transplant.

Congratulations to Jessica Chung-Huey Ho on receiving her doctor of nursing practice.

**New York**

**Northeast Tri-State #120**

Our chapter recently held a planning meeting for the year to discuss and start planning education for members. We are focusing on providing at least 1 CE program and 1 non-CE program for the year. We will keep you all informed of the topics, dates, and times via ANNA Connected. The education committee decided to host all virtual meetings again. We will try to plan meetings for a weeknight as many members stated that having meetings on a Sunday was not working out well for them.

Many chapter officers and members are active at the local and national levels within ANNA. If anyone is interested in being active locally and or nationally in

---

Tricia Fuhrman presented “AKI: Transition from ICU to the Dialysis Unit” during a program hosted by the St. Louis Metro Chapter on March 24.

St. Louis Metro chapter members are “stronger together!” Pictured are (back) Jacque Tanquary, Kevin Payton Carmody, Phyllis Townsend, Liz Perkins, Joanie Senteney, Stuart Mott, Nicole Williams, Taluoly Fagbiye, Anne Cleveland; (front) Michelle Adams, Lauren Begnel, Susan Fleming, and Janelle Chamberlin.

St. Louis Metro chapter members participated in the NKF Kidney Walk. Their team, the Caped Kidney Crusaders, raised over $1,000 dollars.
ANNA, please reach out to a chapter officer with any questions or guidance you may need. We look forward to seeing you at the next educational offering.

North Carolina

Greater Charlotte #202

Our first chapter meeting was held on February 28. We have been busy working on educational meetings and discussing our transition of leadership. Thank you to Julie Peterson for her leadership with the chapter for the last 2 years. Welcome to our new president-elect, Anne Thomas.

The first educational dinner for the year was hosted by Todd Hoppes with Vifor Pharma. Guest speaker John Williams spoke on CKD-associated Pruritis. We learned about the multifactorial pathogenesis of CKD-associated pruritis and how difelikefalin can help with moderate to severe symptoms. We enjoyed dinner and lots of networking.

We participated in the Spring ANNA North Carolina Statewide Symposium and IPRO ESRD Network of the South Atlantic Spring Meeting on May 18-19. Thank you to Hananie Felix and Rhonda Duggan for their hard work collaborating with other chapters for the State Symposium.

Blue Ridge #262

The Blue Ridge Chapter is excited to welcome all members from the Western Carolina Chapter to our chapter!

Our new officers – President Lucy Todd, Treasurer Pattie Brooks, and Secretary Norma Gomez – assumed their roles after the National Symposium. They will be sending out a questionnaire to new and existing members to ask them: “What can ANNA do for you?” and “What can the Blue Ridge Chapter do for you?” We are hoping to receive answers that will guide us through the 2022-2023 year.

We were happy to see chapter members at the North Carolina Statewide Symposium on May 18-19.

Tar River #268

The chapter participated in the 2022 WWAY-TV3 Health Fair on February 24 in Wilmington, NC. Chapter President Kim Alleman and President-Elect Kathryn Wilt sponsored a kidney disease awareness exhibit with information on risks for chronic kidney disease (CKD) and prevention strategies. With over 100 visitors to the exhibit, this event provided an opportunity for ANNA to share its resources and expertise in raising awareness of the prevalence of CKD. Another health fair is scheduled for June 2022, and our chapter plans to participate in this event as well. Thank you to Eastern Nephrology Associates for co-sponsoring the exhibit.

Ohio

Black Swamp #323

Welcome to our newest members: Karen Grueshaber and Jeremy Schnipke.

The National Kidney Foundation of Northwest Ohio (NKFO) is holding their first Kidney Walk at 9:00 am on June 12 at the University of Toledo on the Centennial Mall. Kidney Donor Conversations and our chapter are forming a team for this event. We welcome members to participate in the walk and be event volunteers. If you are interested in helping, contact Glenna Frey at 419-340-6232 or glenna@MYKDC.org or www.MYKDC.org.

We hope members participated in the ANNA National Symposium in Fort Worth, TX. The symposium featured both in-person and virtual options for attending.

Pennsylvania

Keystone #110

One of our chapter members was recognized with a Health Equity Leadership & Social Justice Award during
Black History Month. Nnedinma Ahukanna is a dialysis nurse at Temple University Hospital. When the facility was getting new hemodialysis machines this year, Nnedinma reached out to a physician in her home country of Nigeria and arranged to ship the 17 used dialysis machines to Nigeria for a state medical center to use. Congratulations, Nnedinma!

Over the past 2 months, we welcomed the following new members: Glenda Orong, Guoxiamg Yu, Darlene Cramer, Michelle Drevitch, Erminia Gabello, and Erin McDonnell.

**Tennessee**

**Memphis Blues #240**

Memphis Blues is off to an excellent start in 2022! To date, we have had five dinner meetings. Akebia sponsored three of the meetings: Disease State Education on Iron Metabolism on January 16, Anemia in Chronic Kidney Disease on February 16, and HIF Pathway in Anemia and CKD on March 23. Our dinner meeting on February 9 was sponsored by Vifor Pharma and was entitled Recent Advances in the Understanding and Management of CKD-associated Pruritus. On April 7, FMC/Velphoro® sponsored How to Coach and Motivate Patients Through Change.

Welcome to our newest members: Bryan Harrison and Tonya Kent. We are happy to have you in our chapter!

Our chapter is looking forward to a great year, and we want you to be a part of it! The chapter officers this year are President Susan Bridger, Treasurer Lynette Murdock, and Health Policy Representative Jewell Smith. Welcome to our newest officers: President-Elect Catherine Pantik and Secretary Peachy DeLa Merced.

**Texas**

**Alamo City #205**

In March, our chapter hosted a webinar that offered contact hours and drew nine attendees. Mario Saenz from Fresenius Medical Care hosted our April dinner meeting at Paesano’s Restaurant. The room was packed with attendees, who learned about how the Crit-Line® improves patient care and the benefits of patients using Velphoro® for phosphorus control.

We had a great group of “walkers” for the Lupus Walk on April 21. Our chapter also provided “lunch money” for Camp Reynal. The Children’s Hospital takes about 20 children with chronic kidney disease (CKD) to camp every year. We are proud to provide funds to support San Antonio kids with CKD.

The chapter also has educational dinners planned for June and July, so watch for your invitation. In addition, we are planning a full-day program on September 24. The program will offer contact hours and feature six topics to enhance your practice. Jeff Tyer is leading the planning committee.

Our next project will be providing a $500 scholarship to a person in nursing.
school. Roland Garza is heading up this project. To apply and learn if you qualify (must be from the San Antonio, Corpus Christi, Laredo area), visit https://annaac.nursingnetwork.com.

Our new chapter officers are President Jane Wilson, President-Elect Anna Campbell, Treasurer Dolly Baker, Co-Secretaries Darlene Caruso and Gail Papayanopoulus, and Health Policy Representative Roland Garza. Our chapter plans to kick it up a notch this year.

**Dallas #208**

As the host chapter, our chapter was honored to welcome everyone to the 2022 National Symposium in Fort Worth, TX, with a proclamation from Mayor Mattie Parker and a small gift for attendees at our welcome table.

Members attended an educational event sponsored by Pentec on renal nutrition with speaker Deborah Degree, our past ANNA Chapter Support Team (ACST) liaison and president of the ANNA Dogwood Chapter. The presentation and the meal were awesome!

Our outgoing chapter secretary, Laura Cato, will be continuing as an ACST liaison for 2022-2023.

**Utah**

**Intermountain #516**

Live chapter meetings began in February with the support of Pentec Health, who hosted a dinner meeting on Incredible Edibles: Pica and CKD. Dogwood Chapter President Deborah Degree was the presenter. Over 30 participants attended the meeting. What a great way to kick off 2022!

In March, Kristin Larson presented Dining on the Periodic Table. My Neighbor Said I Needed These. She presented the same program at the ANNA National Symposium in Ft. Worth, TX.

April featured two chapter events. The National Student Nurses Association Annual Convention was held in Salt Lake City, UT. Chapter members Trenton Grey, Melanie Harper, and Kristin Larson presented Nephrology Nurses, Unlimited Options. The chapter had an exhibit booth with nephrology quiz questions for students. Chapter members Danette Borg, Phyllis Aseltine, and Wendy Frey delivered questions and prizes to eager students.

In late April, chapter members learned about polycystic kidney disease during a program sponsored by Otsuka Pharmaceuticals and presented by speaker Sachin Hajarnis.

**Virginia**

**Tidewater #241**

Our chapter partnered with ViFör Pharma on an educational dinner meeting entitled A Clinical Update on Chronic Kidney Disease–associated Pruritus (CKD-aP) on February 24 in Norfolk, VA. The dinner presentation was well attended, and Dr. Shonda Hampton did a remarkable job bringing updating attendees on the topic as well as the clinical future of Korsuva®, the new FDA-approved drug therapy for CKD-aP. To reach as many chapter members as possible, Dr. Hampton graciously agreed to repeat the same presentation in March at a restaurant in Newport News, VA. We are grateful to ViFör Pharma for their generous support of nephrology nursing education.

Our chapter is excited to continue to work in the community at large to assist the homeless and help feed those who do not have food to put on their table. In February, our chapter participated in a food drive sponsored by the Food Bank of Southeastern Virginia and the Eastern Shore that fed 800 families. Thank you to our chapter members for providing support to our local communities!
Washington

Pacific Northwest #503

Renal Update 2022 was a great virtual gathering hosted by our chapter with more than 30 attendees. We gave out two 1-year ANNA memberships and two complimentary registrations for Renal Update 2023 as door prizes. Thank you to our excellent speakers and to our planning committee for their hard work.

Our chapter participated in the group access program for the ANNA National Symposium on May 23.

We welcomed 24 members from the Inland Northwest Chapter to our chapter. Please follow us on Facebook or ANNA Connected for information on chapter activities, meetings, and educational events.

Two long-time ANNA members are retiring: Nancy McAfee and Sharon Tugwell. They have been with our chapter for decades, are part of our planning committee, and have devoted their free time to ANNA. We wish them a fond farewell and happy retirement.

Wisconsin

Wisconsin #304

Our chapter celebrated our 41st anniversary in April! We welcome our new chapter officers: President Janet Zimmer, President-Elect Bridget Guerndt, Treasurer Katie Feldner, Secretary Molly Peeters, and Health Policy Representative Elizabeth St. John. The following board members at large will support the executive board in operating the chapter: Amy Marthenze, Christine Voelkel, Patrice Farrell, and Jaqueline Dake.

Thank you to Debbie Bowie, who is retiring and leaving office this year. We thank her for her many years of service with our chapter.

Awards Committee

Thank you for the opportunity to serve on the Awards & Scholarships Committee. I would not be able to do this without an amazing supportive team, including Emily Parry and Jennifer Carroll at the ANNA National Office, Board Liaison Sara Kennedy, and Incoming Chairperson Marijo Johnson. Thank you to committee members – Kim Alleman, Gracie Alston, Vanessa Auguillard, Jessica Davis, Mary Hansen, Linda Ford, Mary Schopbach, Eleanor Stewart, Mindy Timm, and Linda Toney – who did an outstanding job this year. I would like to recognize Linda Ford for serving 4 years on the committee and Kim Alleman for serving several terms on the committee. The committee is always looking for volunteers. Learn more and volunteer at annanurse.org/volunteer.

Thank you to the many members who applied for awards and scholarships this year. Congratulations to the winners who were announced at the 2022 National Symposium in Fort Worth, TX. Whether or not you won, you are a winner in life and we welcome you to apply again!

Angela Taylor-Smith, BSN, RN, CNN
Outgoing Awards & Scholarships Chair
Dogwood Chapter #224

Nephrology Nursing Certification Review Course

ANNA has launched a Nephrology Nursing Certification Review Course for nurses preparing to take these certification exams:

Certified Nephrology Nurse (CNN) | Certified Dialysis Nurse (CDN) | Certified Nephrology Nurse-Nurse Practitioner (CNN-NP)

Includes 8 online, self-paced learning modules offering up to 12.5 contact hours.

ANNA Members: $210 | Regular: $260

Visit annanurse.org/CRCondemand for more information
