

FREE CNE Opportunity

Hosting ANNA's monthly **Free CNE** as a Live Educational Program for Your Chapter

ANNA provides members with a new **FREE CNE Session** each month. ANNA chapters are invited to use these sessions as chapter meetings that offer contact hours through ANNA's Online Library.

Before the activity:

Announce the activity to your members:

- Provide the date, time, and location of your live presentation.
- A date in the middle of the month is best as it allows participants time to complete the CE evaluation online before the program is no longer free.

It's Showtime!

Have participants sign in on an Attendance Record, then watch the presentation together.

- Log in to ANNA's Online Library – www.annanurse.org/library
- Click on the Free CNE banner (picture at the top of screen)
- Play the presentation using an LCD projector and large screen

Would you like to provide handouts to your attendees? Look for the link that says "Download Handouts." Print the file and copy for participants before the meeting begins.

After the Activity:

Participants: To receive contact hours, each participant must complete a CE evaluation.

Copy the second page of these instructions to distribute to attendees.

- There is no charge for attendees to view the session, but non-members must pay \$40 (in the ANNA Online Library) if they would like to receive contact hours.

Chapter Responsibility: Submit an Education Meeting Summary Form to the National Office within 30 days after your meeting is held.

- Keep a copy of the Summary Form and Attendance Record from the meeting in your chapter files.
