Ranking Member  
Committee of Veterans' Affairs  
U.S. House of Representatives  
Washington, DC 20024

Dear Chairman Takano and Ranking Member Bost:

On behalf of the 56 undersigned organizations representing the Nursing Community Coalition (NCC), we urge you to include and pass the bipartisan United States Cadet Nurse Corps Service Recognition Act of 2021 (S.1220/H.R.2568) in any legislative package honoring our nation's veterans. This bill recognizes the nurses who served as members of the U.S. Cadet Nurse Corps during World War II and provides them with honorable veteran status, a service medal, a burial plaque or grave marker, and other privileges. The NCC is a cross section of education, practice, research, and regulation within the nursing profession, representing Registered Nurses (RNs), Advanced Practice Registered Nurses (APRNs),<sup>1</sup> nurse leaders, students, faculty, and researchers. Together, we urge the passage of this vital legislation this Congress.

From 1943 to 1948, nearly 120,000 nurses answered the call by honorably caring for servicemen and women during World War II. These nurses helped shape the foundation of the profession and should be recognized for their invaluable service. The NCC commends the commitment and efforts to honor these heroic women. As we commemorate their legacy, it is imperative that this legislation is passed and the dedication of those who served in the U.S. Cadet Nurse Corps is acknowledged.

The NCC urges the passage of the United States Cadet Nurse Corps Service Recognition Act this Congress as we honor these servicewomen for their dedication to our country. We look forward to working with you to move this vital bill forward. If our organizations can be of any assistance, or if you have any questions, please contact the Nursing Community Coalition's Executive Director, Rachel Stevenson, at [rstevenson@thenursingcommunity.org](mailto:rstevenson@thenursingcommunity.org) or at 202-463-6930, ext. 271.

Sincerely,

Academy of Medical-Surgical Nurses
