Dear Senators Warren, Collins, Daines, King, Murphy, Markey, Menendez, Hassan, Merkley, Jones, Tester, Blumenthal, Booker, and Shaheen:

On behalf of the 37 undersigned organizations representing the Nursing Community Coalition (NCC), we would like to thank you for introducing the United States Cadet Nurse Corps Service Recognition Act (S. 997). The NCC is a cross section of organizations representing education, practice, research, and regulation within the nursing profession. As a coalition, we fully support this legislation that recognizes

nurses who served as members of the United States Cadet Nurse Corps during World War II and provides them with honorable discharges, medal privileges, and veteran burial benefits.

From 1943 to 1948, nearly 120,000 nurses honorably served to care for America's servicemen and women during World War II. As the average age of these nurses increases, it is imperative that this legislation moves forward to recognize their invaluable service. The NCC commends your commitment and efforts to honor our nation's nurses who answered the call to action.

Again, we thank you for introducing S. 997 as we acknowledge the service of the United States Cadet Nurse Corps. If the Nursing Community Coalition can be of any assistance to you or your staff, please do not hesitate to contact the coalition's Executive Director, Rachel Stevenson, at rstevenson@thenursingcommunity.org or at 202-463-6930, ext. 271.
