Join your colleagues at the Nephrology Nursing Practice, Management & Leadership Conference

- Network
- Learn
- Recharge

September 23-25, 2017
Hyatt Regency Miami
Miami, FL

Register Now! annanurse.org
The Nephrology Nursing Practice, Management, and Leadership Conference offers you an opportunity to:

- Arrive early for optional preconference workshops, which provide intensive learning opportunities in a small group setting. Tailor the program to meet your practice needs when you choose from sessions addressing current issues and trends in nephrology nursing practice and management.

- Network with nephrology professionals

- Learn from experts in the specialty

- Recharge for a productive return to your workplace

Don’t miss this dynamic educational program. Register early to take advantage of reduced rates. We look forward to welcoming you to Miami!
**8:30 am - 4:30 pm**

**Optional Preconference Workshops (010-030)**
Separate registration fee required. Continental breakfast included. Lunch is on your own.

010  **Heart Don’t Fail Me Now: Heart Failure Management in the CKD Patient** – 6.0 CH, 2.5 Rx

Megan Andrews, MSN, ANP-C, RN
Coral Ballew, MSN, ACNP, CCTC, CHFN
Patricia McCarley, MSN, RN, ANCP-BC, CNN

This clinical workshop will focus on heart failure in patients with chronic kidney disease (CKD), including clinical manifestations, treatment options such as extracorporeal membrane oxygenation (ECMO) and left ventricular assist device (LVAD), and potential complications. Heart/kidney transplantation, including criteria, postoperative care, and possible outcomes, also will be addressed.

020  **Tri-Level Practice of the Nephrology APRN: Office, Dialysis Unit, and Inpatient** – 6.0 CH

Christine Chmielewski, MS, CRNP, CNM-APR, APRN-BC
Ann B. Hallock, DNP, APRN, CNP
Leah Foster Smith, MSN, APRN, FNP-BC, CNN-NP
Catherine Wells, DNP, APRN, ACNP-BC, CNN-NP, FNKE

This workshop will examine the various practice settings – office, in-center, and inpatient unit – and associated challenges for the advanced practice registered nurse (APRN). Practice models, reimbursement issues, scope of practice, and transitions of care will be addressed. The workshop will wrap up with a discussion of the qualities and practices of exemplary leaders.

030  **Nephrology Nurse Manager Skills to Combat Everyday Challenges** – 6.0 CH

Rose Markey, MA

This workshop will provide nephrology nurse managers with tools to survive and thrive in the workplace. Topics will include preparing for and handling abusive patients or bad behavior in staff, managing stress and compassion fatigue, as well as investing in the manager’s team.
Morning Workshops

SATURDAY, SEPTEMBER 23

8:00 am - 9:30 am
Optional Morning Workshops (040-060)
Separate registration fee required.

040 Hepatitis C: Diagnosis to Cure – 1.5 CH, 1.5 Rx
Lesley Miller, MD
Hepatitis C is increasingly an issue for CKD patients. This session will address the campaign to test the at-risk population and outcomes to date. Treatment options, including new pharmacotherapies, cost, and outcomes, also will be discussed.

050 Pain Management in CKD: New Challenges and Opportunities in Care – 1.5 CH, 1.5 Rx
Sandra Laird, PhD, RN, ACNP-BC
Managing pain in patients with CKD is a challenge. This session will focus on the pathophysiology of acute and chronic pain as well as pharmacologic and nonpharmacologic treatment options. Given the current national opioid epidemic, discussion also will address this patient care issue.

060 Bariatric Surgery Across the CKD Spectrum – 1.5 CH
Christopher Daigle, MD, FRCSC
Bariatric surgery has associated risks that are compounded in patients with CKD. Bariatric surgical techniques and outcomes will be covered, with emphasis on how to adapt these techniques and outcomes to the care of patients with CKD. Long-term expectations also will be discussed.

Conference Program

9:45 am - 11:15 am
Opening General Session

101 See Me Soar: Unleashing the Leader Within – 1.5 CH
Debra Hain, PhD, ARNP, ANP-BC, GNP-BC, FAANP, FNKF
Dr. Hain will draw on her years of experience as a nephrology nurse practitioner committed to improving patient care and health outcomes for an ethnically diverse population of adults with CKD and diabetes. This session will focus on tapping into your leadership potential and cultivating those skills in your professional setting. Discover how to unite staff to improve your workplace and enhance patient care and outcomes.

12:00 noon - 1:30 pm
110 Lunch / Symposium
Pending corporate support
111 Prepared Nurses Protect Patients: Prevention Strategies for Healthcare-Associated Infections and Emerging Infectious Diseases, Part 1 – 1.25 CH
Sametria McCammon, MSPH
This session will provide an overview of disease transmission in healthcare settings, evidence-based strategies to prevent transmission of infections, as well as emerging threats and the role of public health and the healthcare community. (Continued in Session 121.)

**ANNA is offering this session in collaboration with the American Nurses Association and the Centers for Disease Control and Prevention.**

112 Alphabet Soup of Quality – 1.25 CH
Carolyn Latham, DNP, MBA, MSN, CNN
This session will help eliminate the confusion about the alphabet soup that exists in the world of quality. What do QIP and QAI mean? How are they different? What is the significance of a five-star rating? How does it relate to pay for performance? Get the answers to these questions and more during this session.

113 Apheresis: A Treatment Update – 1.25 CH
Rasheed Balogun, MD, FACP, FASN, HP
This session will focus on apheresis, a procedure that is being used more commonly. The established clinical guidelines for the use of apheresis and the top 10 tips for ensuring trouble-free procedures will be shared.

114 Evaluating and Trending Laboratory Data in Chronic Dialysis Patients – 1.25 CH
Christine Chmielewski, MSN, RN, ANP-BC, CNN-NP
Labs are drawn frequently on patients with CKD. This session will compare the labs that are needed on a weekly versus a monthly, quarterly, or annual basis. Trends in the values of each lab and the implications of changing lab results will be examined.
3:15 pm - 4:30 pm
CONCURRENT SESSIONS (121-124)

121 Prepared Nurses Protect Patients: Prevention Strategies for Healthcare-Associated Infections and Emerging Infectious Diseases, Part 2 – 1.25 CH
Continued from Session 111.

122 Disclosing Errors in Nursing Practice: Law and Ethics – 1.25 CH
Beth Ulrich, EdD, RN, FACHE, FAAN
Patient safety became a focus of modern health care when medical errors became news. This session is a primer on the ethical and regulatory requirements for error reporting as well as the current guidelines and best practices for reporting. The application of medical professional apology statutes also will be highlighted.

123 Dialysis in the Operating Room – 1.25 CH, 0.5 Rx
Rasheed Balogun, MD, FACP, FASN, HP
Patients are now being dialyzed in the operating room (OR). This session will focus on the collaborative approach essential to implementing this treatment plan, when it may be necessary, and management of this procedure in the OR. Finally, the nursing implications will be discussed.

124 Understanding the Sodium-Water Connection – 1.25 CH, 1.25 Rx
Kim Alleman, MS, APRN, FNP-BC, CNN-NP
This session will address the connection between sodium and water and the changes in mechanics when a person develops CKD. Methods to keep a patient’s sodium and water in balance also will be discussed.

4:30 pm - 6:30 pm
Exhibits Open / Reception

7:00 am - 8:45 am
201 Breakfast / Non-CE Product Theater
Sponsored by Amgen

8:45 am - 9:45 am
Exhibits Open
10:00 am - 11:30 am

CONCURRENT SESSIONS (211-214)

211 Advanced Concepts in Heart Failure in Patients with Altered Kidney Function – 1.5 CH, 0.5 Rx
Tamara Kear, PhD, RN, CNS, CNN
New evidence about the pathophysiology of heart failure takes into consideration preserved ventricular heart failure. This session will focus on the levels of symptom severity, classification of heart failure, as well as treatment goals.

212 Partnerships for Managing CKD: Current and Future Trends – 1.5 CH
Lisa Koester-Wiedemann, MSN, RN, CS, ANP, CNN-NP
This session will examine partnerships to manage CKD, including the differences between partnerships and referrals, the best setting for care, and the desired outcomes. The characteristics of effective CKD partnerships, such as communication, integrated health care information, evaluation, and quality improvement, also will be addressed.

213 Common Medications Used in CKD: A Primer – 1.5 CH, 1.5 Rx
Wendy St. Peter, PharmD, FCCP, FASN, FNKF
Pharmacology expert Dr. St. Peter will discuss the medications commonly used in the care of CKD patients, including the evidence for their use. Emphasis will be placed on how the medications work and choosing the best medication depending on the clinical scenario.

214 When All Else Has Failed: Vascular Access Options – 1.5 CH
Lynn Poole, FNP-BC, CNN, FNKF
Every hemodialysis patient has one or more vascular accesses. The patient and the dialysis care team have key roles and responsibilities to promote safety and preserve existing arteriovenous fistulas and arteriovenous grafts. Vascular access anatomy and critical thinking skills necessary to troubleshoot vascular access issues will be reviewed.

11:30 am - 12:30 pm
Exhibits Open

12:45 pm - 2:30 pm
220 Lunch / Non-CE Product Theater
Sponsored by Amgen
2:45 pm - 3:45 pm
CONCURRENT SESSIONS (231-234)

231 Advances in Assessment and Evaluation of Heart Failure – 1.0 CH
Kellie Kahveci, PhDc, RN, AGPNP-BC, GNP-BC
This session will review the parameters of physical assessment for patients with heart failure, including vital signs, volume status, and fatigue. Diagnostic tools, ongoing patient assessment, and home visit assessments also will be highlighted.

232 Cancer Screening Guidelines for the Transplant Candidate/Recipient – 1.0 CH
Karin True, MD
Cancer is a possible complication in individuals who receive a transplant and may be related to immunosuppression. The known risks for immunosuppressed patients will be covered through examples and case studies. Recommended intervals of cancer screening for the general population compared to transplant candidates/recipients also will be reviewed.

233 Project Management: How Do I Get Where I’m Going? – 1.0 CH
Dotti Plank, BSN, RN, CNN
Although often used in business settings, project management has not been as frequently noted in the healthcare arena. This session will examine the pros of using project management in building a path to get where we want to go and providing a measure of when we have arrived. Tips to initiate the project management process, maintain momentum, and manage the bumps along the road will be provided.

234 Patient Education: Worth the Investment – 1.0 CH
Norma Gomez, MBA, MSN, RN, CNNe
This session will explore opportunities to engage staff in effective patient education. The gaps in patient education related to CKD and renal replacement therapies as well as the importance of recognizing when education is appropriate will be reviewed.

4:00 pm - 5:00 pm
CONCURRENT SESSIONS (241-244)

241 Use of Mineralocorticoid Receptor Antagonists in Patients with CKD – 1.0 CH, 1.0 Rx
Tracy Anderson-Haag, PharmD, BCPS
This session will address the use of mineralocorticoid receptor antagonists (MRAs) in the treatment of CKD. Discussion will focus on the pharmacokinetics of MRAs, indications for use in patients with CKD, potential adverse effects on the kidneys, and how to manage those effects.

242 Nocturnal Dialysis: Pros and Cons – 1.0 CH, 1.0 Rx
Tiffany Moyer
Nocturnal dialysis is used more frequently by patients who choose to dialyze at home. This session will examine the pros and cons of this treatment modality, the key components of an effective nocturnal dialysis program, and staff and patient retention.
[Getting from Here to There: Transportation Concerns for Patients with CKD – 1.0 CH  
Jodi Conti, BSN, RN  
Felicia Speed, LMSW]

There are numerous transportation safety concerns related to the CKD population, especially in the transportation of ESRD patients to and from dialysis appointments. In the ever-changing care delivery systems for nephrology patients, coordination of transportation services can become extremely challenging and create time insufficiencies for staff. This multifaceted presentation will increase your knowledge base on transportation services, funds that are available for patients, and ways to improve efficiency of staff time in coordination of such efforts.

[Peritoneal Dialysis in the Skilled Nursing Facility: Strategies for Success – 1.0 CH  
Brent Miller, MD]

Peritoneal dialysis (PD) is being done more frequently in skilled nursing facilities (SNFs). This session will address the benefits of PD in SNFs, pitfalls to avoid when starting a program, staff and patient education, as well as communication and collaborative care planning as essential components of a program's success.

[Peritoneal Dialysis Access: Pre- and Postoperative Care – 1.5 CH, 1.5 Rx  
Beth Piraino, MD]

Peritoneal dialysis catheter placement is the focus of this session. Discussion will include removal of adhesions, postoperative catheter care, access maintenance, and management of complications. The primary focus will be prevention of exit site infections, but treatment options also will be addressed.

[Drug Update: What’s New? What’s Coming? – 1.5 CH, 1.5 Rx  
Tracy Anderson-Haag, PharmD, BCPS]

Learn more about drugs that are on the horizon and current drugs that may be used in different ways in the future. This session will provide the latest information on new pharmacology options and trends.

[Home Therapy for the Pediatric Patient – 1.5 CH  
Jennifer Neidinger, BSN, RN, CPN]

This session will address the challenges of home dialysis for pediatric patients. An overview of ESRD in the pediatric population, home therapy treatment options, the home visit assessment, as well as the psychosocial dynamics of the family as a component of the assessment process will be provided.

[Glomerular vs. Tubular Diseases: Distinguishing the Differences – 1.5 CH, 1.5 Rx  
Mary Schira, PhD, RN, ACNP-BC]

This session will focus on the basic differences in patients with glomerular diseases versus those with tubular diseases. The etiologies of acute and chronic diseases in each part of the renal system and the clues that lead to the correct diagnosis – and the best treatment option – will be discussed.
9:15 am - 10:45 am
CONCURRENT SESSIONS (321-324)

321  When a Kidney Alone Just Won’t Do: Combined Organ Transplant – 1.5 CH
Mark Aeder, MD, FACS
There are specific criteria and challenges for patients who need a combined organ transplant. This session will review the patient criteria for liver-kidney, kidney-pancreas, and heart-kidney transplants, considerations for the timing of the dual surgeries (simultaneous vs. sequential), and postoperative issues.

322  ESRD Seamless Care Organizations (ESCOs): Practice Implications for the APRN and RN – 1.5 CH
Leah Foster Smith, MSN, APRN, FNP-BC, CNN-NP
This session will provide a historical perspective of ESRD Seamless Care Organizations (ESCOs). The APRN’s role in this partnership, including the financial and quality rewards, as well as the impact of ESCOs on RN practice in the outpatient setting will be highlighted.

323  Combatting Clinical Inertia – 1.5 CH
Mary Schira, PhD, RN, ACNP-BC
What is clinical inertia? This session will begin by defining clinical inertia and will continue with a discussion of the concepts of clinical inertia, causes, and current research on the topic.

324  Managing Acute Kidney Injury in the Outpatient Unit – 1.5 CH, 1.5 Rx
Denise Murcek, MSN, APRN, NP-C, CNN-NP
The treatment of acute kidney injury (AKI) in the outpatient setting has been a reality for about 9 months. This session will review current practice models for managing AKI in this setting. Discussion will include an evaluation of progress, including what’s working, what’s not, and outstanding issues.

11:00 am - 12:00 nn
Closing General Session

330  Effective Communication in the Nephrology Unit – 1.0 CH
Jennifer Payton, MHCA, BSN, RN, CNN
As we strive to recruit and retain staff members, effective communication is a primary tool for success. Learn the essential guidelines for effectively communicating with staff and colleagues in the workplace.
Mark Aeder, MD, FACS, Associate Professor of Surgery, Department of Surgery, Director, Surgical Quality, University Hospitals Cleveland Medical Center, Case Western Reserve University School of Medicine, Cleveland, OH (Session 321)

Kim Alleman, MS, APRN, FNP-BC, CNN-NP, Family Nurse Practitioner, Hartford Hospital Transplant Program, Lebanon, CT (Session 124)

Tracy Anderson-Haag, PharmD, BCPS, Clinical Pharmacy Specialist-Kidney Transplantation, Hennepin County Medical Center, Minneapolis, MN (Sessions 241, 312)

Megan Andrews, MSN, APN-C, RN, Heart Transplant and LVAD Nurse Practitioner, UNC Healthcare - UNC Center for Transplant Care, Durham, NC (Session 010)

Carol Balawe, MSN, ACNP, CCTC, CHFN, Lead Mechanical Circulatory Support/Transplant Nurse Practitioner, University of Virginia Medical Center, Charlottesville, VA (Session 010)

Rasheed Balogun, MD, FACP, FASN, HP, Professor of Medicine, University of Virginia Medical Center, Charlottesville, VA (Sessions 113, 123)

Christine Chmielewski, MS, RN, ANP-BC, CNN-NP, Adult Nurse Practitioner, Jefferson Renal Associates, Philadelphia, PA (Sessions, 020, 114)

Jodi Conti, BSN, RN, Director, Care Management, Fresenius Health Partners, Austin, TX (Session 243)

Christopher Daigle, MD, FRCSC, Advanced MIS & Bariatric Surgeon, Assistant Professor of Surgery, Cleveland Clinic Akron General, Akron, OH (Session 060)

Darlene Dobkowski, MPAS, RN, PA-C, Physician Assistant, Advanced Interventional Radiology Services, Wayne, NJ (Session 214)

Norma Gomez, MBA, MSN, RN, CNNe, Safety and Infection Prevention Program Manager, Satellite Health Care, Russellville, TN (Session 234)

Debra Hain, PhD, ARNP, ANP-BC, GNP-BC, FAANP, FHKF, Associate Professor, Florida Atlantic University, Christine E. Lynn College of Nursing; Nurse Practitioner, Cleveland Clinic Florida, Department of Nephrology, Weston, FL (Session 101)

Ann B. Hallock, DNP, APRN, CNP, Assistant Professor, Armstrong University, Savannah, GA (Session 020)

Kellie Kahveci, PhD, RN, AGPCNP-BC, GNP-BC, Nurse Practitioner, Community Based Outpatient Clinic, Baylor Scott & White Health, Health Texas Provider Network, Greenville, TX (Session 231)

Tamara Kear, PhD, RN, CNS, CNN, Assistant Professor of Nursing, Villanova University College of Nursing, Villanova, PA (Session 211)

Lisa Koester-Wiedemann, MSN, RN, CS, ANP, CNN-NP, Renal Nurse Practitioner, Division of Nephrology, Washington University School of Medicine, St. Louis, MO (Session 212)

Sandra Laird, DNP, RN, ACNP-BC, ONCC, Assistant Professor Clinical Nursing, University of Texas at Arlington, Arlington, TX (Session 050)

Carolyn Latham, DNP, MBA, MSN, CNN, Independent Consultant, Brentwood, TN (Session 112)

Rose Markey, MA, Change Management Specialist, University of Virginia, Charlottesville, VA (Session 030)

Sametria McCammon, MSPH, Senior Policy Advisor / CDC Project Officer, American Nurses Association, Silver Spring, MD (Sessions 111, 121)

Patricia McCarley, MSN, RN, ANCP-BC, CNN, Vice President, Strategic Quality Operations, Fresenius Kidney Care, Franklin, TN (Session 010)

Brent Miller, MD, Associate Professor, Division of Renal Diseases, Medical Director, Home Dialysis, Washington University School of Medicine, St. Louis, MO (Session 244)

Lesley Miller, MD, Medical Director, Grady Liver Clinic, Associate Professor of Medicine, Division of General Medicine and Geriatrics, Emory University School of Medicine, Atlanta, GA (Session 040)

Tiffany Moyer, Director of Operations/Inpatient Services, Fresenius Kidney Care, The Woodlands, TX (Session 242)

Denise Murcek, MSN, APRN, NP-C, CNN-NP, Nurse Practitioner, Omaha VA Medical Center, Omaha, NE (Session 324)

Jennifer Neidinger, BSN, RN, CPN, Manager, Home Dialysis, Manager, Outpatient Renal Clinic, Texas Children’s Hospital, Houston, TX (Session 313)

Jennifer Payton, MHCA, BS, RN, CNN, Home Dialysis Clinical Coordinator, NxStage Kidney Care, Goose Creek, SC (Session 330)

Beth Piraino, MD, Professor of Medicine, Associate Dean of Admissions and Financial Aid, University of Pittsburgh School of Medicine, Pittsburgh, PA (Session 311)

Dorothy “Dotti” Plank, BSN, RN, CNN, Vice President of Education, Methods and Systems, Fresenius Medical Care, Springfield, PA (Session 233)

Mary Schira, PhD, RN, ACNP-BC, Associate Professor, The University of Texas at Arlington College of Nursing and Health Innovation, Arlington, TX (Sessions 314, 323)

Leah Foster Smith, MSN, APRN, FNP-BC, CNN-NP, Director of Advanced Practitioners, Metrolina Nephology Associates, Charlotte, NC (Sessions 020, 322)

Felicia Speed, LMSW, Corporate Director of Social Work Services, Fresenius Kidney Care, Greenville, SC (Session 243)

Wendy St. Peter, PharmD, FCCP, FASN, FHKF, Professor, College of Pharmacy, University of Minnesota; Investigator, Chronic Disease Research Group, Minneapolis, MN (Session 213)

Karim True, MD, Assistant Professor, UNC Kidney Center, Chapel Hill, NC (Session 232)

Beth Ulrich, EdD, RN, FACHE, FAAN, Editor, Nephrology Nursing Journal; Senior Partner, Innovative Health Resources; Professor, School of Nursing, University of Texas Health Science Center at Houston, TX (Session 122)

Catherine Wells, DNP, APRN, ACNP-BC, CNN-NP, FNKE, Nurse Practitioner/Director, Division of Nephrology, University of Mississippi Medical Center, Jackson, MS (Session 020)
Hotel Reservations

The Hyatt Regency Miami has been designated as the official hotel for this conference. Reserve your room:

- **Online:** annanurse.org/fall-meeting
- **Phone:** Call the hotel at 888-591-1234 (refer to the ANNA Nephrology Nursing Conference)

**Hyatt Regency Miami**

400 South East Second Avenue, Miami, FL 33131

Check in: 4:00 pm ~ Check out: 11:00 am

$149 single/double, $179 triple/quad + 13% occupancy tax

The discounted meeting rate is available until August 24, 2017 or until rooms sell out. Reservations received after this date are subject to space and rate availability. (All taxes are subject to change without notice.)

**Note:** ANNA does not use a housing bureau for hotel reservations. No one from ANNA or the conference hotel will call you to make a hotel reservation. Only make reservations through the website provided above.

Hotel Parking

Parking is available at the hotel: $19 for self-parking and $37 for overnight valet parking. (Rates subject to change.)

Airport/Transportation

The Hyatt Regency Miami is approximately 8 miles from the Miami International Airport (MIA) and 30 miles from Fort Lauderdale Airport (FLL). Discounted airport shuttle service is offered by SuperShuttle between the airports and the hotel. Round-trip fare from Miami Airport is $14; round-trip fare from Ft. Lauderdale Airport is $30.80. Book online via the discounted reservation link at www.annanurse.org/fall-meeting.

One-way taxi fare to the hotel is approximately $21 from MIA and approximately $75-$80 from FLL. (Rates subject to change.)

Weather

Daytime temperatures top out in the upper 80s/low 90s. Nighttime lows typically remain in the mid 70s. Please pack a sweater since meeting room temperatures may vary. We also suggest you bring comfortable walking shoes for your meeting activities.
Special Registration Offers

- **BEST DEAL:** Register by July 31 and combine a preconference workshop, a morning workshop, and the 3-day conference for one special low rate.
- **ANNA Member Discount:** ANNA members save $100 on registration.
- **Register for the conference AND join ANNA for one low rate.** Regular registration fees include a 1-year ANNA membership. (International registrants who register at the Regular rate will receive a virtual international membership.)

Continuing Nursing Education

The conference offers 11.5 contact hours (CH):
- Saturday – 4.0 CH
- Sunday – 3.5 CH
- Monday – 4.0 CH
- **Bonus** – 5.0 CH for a total of 16.5 CH

Optional workshops offer CH as follows:
- 010-030 – 6.0 CH
- 040- 060 – 1.5 CH

*After the conference evaluation period closes, individuals who register for the full conference (not daily registrations) will have access to an additional 5.0 contact hours in the ANNA Online Library.

Sessions marked with Rx contain pharmacology credit hours. Up to 6.75 hours of pharmacology credit can be accumulated from conference sessions; additional hours are available for optional workshops as indicated.

ANNA urges participants to be aware of the CNE requirements for relicensure in the states in which they hold a license.

American Nephrology Nurses Association is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

ANNA is a provider approved by the California Board of Registered Nursing, provider number CEP 00910.

Online Library & Meeting Educational Materials

Speaker reference materials will be available for viewing/download in the ANNA Online Library (www.annanurse.org/library) prior to the conference. Only attendees who purchase Printed Speaker Reference Materials at the time of registration will receive a printed copy onsite. Printed copies will include conference session materials only (not optional workshops or corporate-supported sessions).

Guest Registration

Guest registration ($50) is available for ONE guest per registrant and entitles the guest to visit the Exhibit Hall only. A “guest” is defined as a spouse, family member, significant other, friend, or an adult child (over 16 years old). A co-worker, associate within the healthcare/nephrology community, or corporate representative does not qualify as a guest. Guest fees do NOT include CNE, admission to educational sessions, meal functions, or corporate-sponsored symposia.
Payment Policy

No registration will be processed unless full payment is received with the registration form. If you do not receive a confirmation a week prior to the meeting, please contact the ANNA National Office to confirm receipt of your registration.

Refund Policy

No telephone cancellations will be accepted. Written notice of cancellation must be sent to the ANNA National Office, East Holly Avenue, Box 56, Pitman, NJ 08071-0056 (fax 856-218-0557). A $50 administrative fee will be assessed on all cancellations received in writing and must reach the office no later than September 8, 2017. No refunds will be issued after this deadline. Membership fees are nonrefundable. All other monies will be returned to the party who originally issued the payment. In the event that ANNA should find it necessary to cancel or postpone this educational offering for any reason, including, but not limited to low registration responses, strikes, or acts of God, the Association shall not be liable for registrant(s’) expenses.

Photographs

ANNA occasionally uses photographs of ANNA meeting participants in its newsletter, website, social media, promotional materials, and in the Nephrology Nursing Journal. By virtue of your attendance at the conference, you agree to usage of your likeness in such material.

ANNA National Office

East Holly Avenue, Box 56, Pitman, NJ 08071-0056; 888-600-2662 or 856-256-2320; fax 856-589-7463; anna@annanurse.org; www.annanurse.org

Note: Additional information regarding registration, payment, refund, and substitution policies is available online at annanurse.org/fall-meeting.
