Wondering where to begin your nursing career?
What specialty of nursing will you practice?

Take advantage of this opportunity to learn more about the exciting field of nephrology nursing.

The American Nephrology Nurses Association (ANNA) is the premier professional organization for nephrology nurses.

We are pleased to announce that **50 scholarships are available** for RN and APRN students to attend the virtual 2020 ANNA fall conference, **Nephrology Nursing Practice, Management & Leadership**.

The conference is a two-day virtual event. The scholarships provide **complimentary registration** to attend the full conference. *Complimentary registration does not include contact hours.*

Learn, collaborate, and network with nephrology nurses from around the country! In addition to the conference, scholarship recipients will participate in experiences before and after the conference:

**Before the conference:**
You’ll be paired with an experienced nephrology nurse for one-on-one phone mentoring to discuss your future goals and provide guidance to help you get the most out of your virtual conference experience.

**After the conference:**
Participate in a Zoom “town meeting” after the conference to debrief, ask questions, and talk about future career opportunities.

**APPLY NOW!**
