American Nephrology Nurses Association
National Symposium
April 14-17, 2024
Caribe Royale • Orlando, FL

LEARN / COLLABORATE / NETWORK

www.annanurse.org
Join your colleagues

Learn and connect with nephrology nurse colleagues – in person or virtually – at the 2024 ANNA National Symposium. The hybrid educational program enables you to choose the learning experience that meets your personal and professional needs.

Gather with nephrology professionals in Orlando for a live educational experience, in-person networking opportunities, a special ANNA anniversary celebration, and time to enjoy Florida. If you can’t travel to Florida, then participate virtually! Livestream registration options enable you to interact with conference attendees and speakers online and earn contact hours from your home or workplace.

The ANNA National Symposium provides you the opportunity to:

- Learn from expert speakers about the latest issues and advances in the nephrology nursing specialty.
- Enhance your knowledge and take your professional practice to the next level.
- Collaborate with nurse colleagues and industry representatives and expand your professional network.
- Join a community of nurses who support your success and share your commitment to quality care.

Register by February 16 for the best rates!

141 **Wellness for Healthcare Professionals**
1.25 CH  
Cassandra Whitmore, RD, LMNT  
This session will raise your awareness about why wellness is important and will cover aspects that you may not have previously considered. Take away some practical tips that can be incorporated into your everyday life as permanent habits!

142 **Achilles Heel for Dialysis: Update on Dialysis Access**
1.25 CH  
Dirk Hentschel, MD, FACS  
Update your knowledge to keep abreast of new innovations in dialysis access. Learn the implications for nephrology nurses as well as the implications for patients on dialysis.

143 **Calciphylaxis: Early Presentation and Progression**
1.25 CH, Rx  
Rasheed Balogun, MD, FACP, FASN, HP (ASCP)  
Sharpen your understanding of calciphylaxis with this review of factors influencing risk, early recognition, diagnosis, and medical management.

144 **Understanding Value-Based Care in Nephrology**
1.25 CH  
Angela Kurosaka, DNP, RN, CNN, CCM, NEA-BC  
Examine value-based care in nephrology and take away a greater understanding of clinical considerations and how this concept is applied in the dialysis setting.

145 **What Do Nephrology Nurses REALLY Want? Asked and Answered**
1.25 CH  
Lesley Dinwiddie, MSN, FNP, CNNe  
The session will summarize the interpretation of introspective data regarding ANNA collected at the 2023 North Carolina Statewide Symposium and discuss the implications for ANNA going forward. *(This session is designed for ANNA volunteer leaders as part of the LEAD orientation program.)*

**11:45 am - 1:00 pm**
**Concurrent Sessions (151-155)**

151 **Dialysis Drug Considerations: More Than Just a Dose**
1.25 CH, Rx  
Leah Foster Smith, MSN, APRN, FNP-BC, CNN-NP, FNKF  
This discussion will review guidance related to dosage of medications specific to patients with end-stage kidney disease and patients on dialysis.

152 **The Future Is Here: Update on Kidney Transplantation**
1.25 CH  
David Serur, MD  
Matthew Cooper, MD  
Peter Kennealey, MD, FACS  
Marian Charlton, SRN, RN, CCTC  
Each speaker will give a brief review of their specific area of expertise related to kidney transplantation. Topics to be covered include pancreas-kidney transplantation, xenotransplantation, transplant designee in the unit, and the rise of robots.

153 **Waste Not Want Not: How Are We Managing Medical Waste?**
1.25 CH  
Linda Lee  
This presentation will raise your awareness about medical waste – the cost, disposal methods, and the environmental impact. Ways to reduce overall medical waste in facilities will be explored.

154 **Update on Diversity, Equity, and Inclusion: Healing the Divide: A Journey to Health Equity through Implicit Bias Recognition**
1.25 CH  
Deborah Stamps, EdD, MBA, MS, RN, GNP, NE-BC, CDE, FAAN  
This session will provide an overview of the components of strategic planning and an update on current ANNA diversity, equity, inclusion, and belonging initiatives to achieving health equity.

155 **Nephrology Nursing Leadership in Advancing Value-Based Care**
1.25 CH  
Amber Paulus, PhD, RN, CPHQ  
This presentation will highlight the unique opportunities for nephrology nurses to take on leadership roles in the transition to value-based care, thereby influencing policy, practice, and patient outcomes in kidney health. *(This session is designed for ANNA volunteer leaders as part of the LEAD orientation program.)*

321 Master the Mock Code: The First 15
1.25 CH
Louisa Freiberger, RN, CDN
This presentation will cover the critical actions that should occur during the first 15 minutes following a cardiopulmonary arrest in order to achieve the best possible outcome. Case scenarios will encourage audience participation in discussing common errors, best practices in resuscitation, and the importance of teamwork.

11:15 am - 12:30 pm
Closing Session
331 Malpractice 2.0
1.25 CH
Kristin Larson, MSN, RN, AGNP-BC, CNN
Lisa Zokas Kindy, JD
These presenters return by audience request to cover the multifaceted topic of malpractice. Emphasis will be on high-risk litigation situations, such as driving after dialysis, falls in and outside of the unit (including the parking lot!), and IV push medications administered by patient care technicians (some states currently permit them to administer heparin). Discussion will include case examples. Presenters will point out implications for all nephrology nurses. You won’t want to miss this session!
In addition to the live sessions featured during the symposium program, the following sessions will be pre-recorded and available on-demand via the ANNA Online Library. All on-demand session content is included with full symposium registration; full symposium registrants also may redeem up to 7.0 contact hours for on-demand sessions. Additional contact hours for on-demand sessions are available for purchase via the ANNA Online Library. (Note: Contact hours are to be determined; each session will offer a minimum of 1.0 contact hour.)

**OD01 An Intervention to Reduce Sedentary Behavior in Adults with Chronic Kidney Disease: A Feasibility Study**  
*Mary Hannan, PhD, APRN, AGACNP-BC*  
The results of a feasibility study regarding the application of a sedentary-reducing intervention in a sample of adults with chronic kidney disease will be shared. Discussion will include conclusions, along with application to practice.

**OD02 Peritoneal Dialysis: Expanding Patient Options and Reducing Complications**  
*Lucy Todd, MSN, ACNP-BC, CNN*  
This session will explore options and benefits of the peritoneal dialysis (PD) modality. Common complications in PD and the nephrology nurse’s role also will be reviewed.

**OD03 Effect of Exercise Training on Inflammatory Pathways in Older Adults with Chronic Kidney Disease**  
*Seon Yoon Chung, PhD, RN, CNE, CHSE*  
This session provides a review of findings and implications associated with a study to examine the effect of exercise training on the inflammatory markers in older adults with chronic kidney disease. (Note: Research funded by ANNA Research Grant.)

**OD04 Advance Care Planning**  
*Christine Corbett, DNP, APRN, FNP-BC, CNN-NP, FNKF*  
This session will emphasize the importance of advance care planning for patients, especially for those with advanced kidney disease, and will define terminology such as goals of care discussion, advance directive, and durable power of attorney. The presentation also will cover the ability and instructions to bill for the goals of care discussion.

**OD05 Patient Re-evaluation and Management after a Failed Transplant**  
*Amy Kupsco, MSN, APRN, FNP-C, CCTC*  
This speaker will discuss unique challenges of dealing with a failed kidney transplant and solutions for evaluation and listing for re-transplant options.

**OD06 Substance Abuse Disorders in the Kidney Disease Population**  
*Laurie Willhite, PharmD, CPHQ, CSPI*  
This session offers an overview of the unique challenges of providing care and treatment for patients with chronic kidney disease / end-stage kidney disease who also have substance abuse disorders.

**OD08 Abstract Presentations: Clinical Focus**  
Learn from colleagues about clinical innovations they have implemented.

**OD09 Abstract Presentations: Clinical Focus**  
Learn from colleagues about clinical innovations they have implemented.

**OD10 Abstract Presentations: Research Focus**  
Learn from colleagues about research they have conducted.

Nursing Continuing Professional Development

Gain contact hours (CH) for your professional development, recertification, and relicensure.

- Optional Preconference Workshops – 5.0 CH
- Symposium* – 21.75
- Bonus** – 5.0 CH

*Additional contact hours--- may be available if corporate support is received for pending programs.
**Bonus contact hours are available with full symposium registration only and include meeting content only (not preconference sessions).

Sessions marked with Rx contain pharmacology content that can be applied toward pharmacology credit requirements.

ANNA urges participants to be aware of the NCPD requirements for relicensure in the states in which they hold a license.

American Nephrology Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation.

ANNA is a provider approved by the California Board of Registered Nursing, provider number CEP 17499.

Online Library / Symposium Educational Materials

The ANNA Online Library (annanurse.org/library) provides extra value for your symposium registration.

- Full symposium registrants (in-person and livestream) receive free access to all conference sessions in the Online Library. Listen to sessions you may have missed or revisit ones you found interesting. Content will be available approximately 3 weeks after the conference.
- Session/speaker reference materials will be available to view/download/print in the Online Library prior to the conference.
- Evaluate sessions online to redeem your contact hours.
- After completing the symposium/session evaluation process, access your contact hour certificates in the Online Library any time.

Payment Policy

No registration will be processed unless full payment is received with the registration form. If you do not receive an email confirming your registration, please contact the ANNA National Office.

Refund Policy

No telephone cancellations will be accepted. Written notice of cancellation must be sent to the ANNA National Office (anna@annanurse.org, fax 856-218-0557). A $50 administrative fee will be assessed on all cancellations received in writing and must reach the office no later than March 21, 2024. No refunds will be issued after this deadline. Membership fees are nonrefundable. If ANNA finds it necessary to cancel or postpone this educational offering for any reason, including but not limited to low registration, strikes, pandemics, or acts of God, ANNA shall not be liable for registrant(s)’ expenses.

Guests

Guest tickets ($125 each) are available for the 55th Anniversary Celebration Gala & Dance Party. Guest tickets are limited to one per symposium registrant and entitle the guest to attend the gala/dance party only. Guests are not admitted to exhibits or any other sessions/events.

Media Release

ANNA occasionally uses photographs/video of ANNA meeting participants in its publications, website, social media, and promotional materials. By virtue of your attendance at the symposium, you agree to usage of your likeness in such material.
