POLICY & PROCEDURE

PROVIDER – COMPLIANCE WITH AMERICAN NURSES CREDENTIALING CENTER (ANCC) CRITERIA

POLICY

The American Nephrology Nurses Association Provider Unit operates under the guidelines of the American Nurses Credentialing Center (ANCC). The Provider Unit will maintain compliance with current ANCC criteria, policies, and procedures.

PROCEDURE

1. The ANNA Director of Education Services/Accredited Provider Program Director (APPD) will review policies to maintain compliance with ANCC when any new ANCC changes are introduced.
2. The ANNA Director of Education Services/APPD will respond to any changes in criteria, policies, or procedures according to ANCC timetables.
3. The Director of Education Services/APPD will:
 - a. Communicate and educate those that participate in the education process of the required changes.
 - b. Ensure that all changes are implemented in accordance with the timeframes required by ANCC.
