POLICY & PROCEDURE

NEPHROLOGY NURSE RESEARCHER AWARD

POLICY

1. The Nephrology Nurse Researcher Award will be awarded annually.
2. Applications will be screened by the Awards & Scholarship Committee Chairperson to ensure fulfillment of the stated criteria.
3. The Awards & Scholarship Committee and the Research Committee will review screened applications through a blind review process.
4. The Awards & Scholarship Committee Chairperson and the Research Committee Chairperson will select the recipient based on the results of the blind review process.

PURPOSE

Recognize an outstanding nephrology nurse researcher.

ELIGIBILITY CRITERIA

1. Candidates for the award will be nominated.
2. Be a current full member of the American Nephrology Nurses Association (ANNA), having been a member for a minimum of the last two (2) years as of the Awards/Scholarship application deadline date.
3. Actively involved in nephrology nursing related health care services.
4. Active participation in ANNA as a full member at local and/or National level.
5. Preferably hold a master's or doctoral degree.

6. The nomination packet should include documentation of the following:
 - a. The nominee has conducted research that contributes to the advancement of nephrology nursing. The packet should include a list of research the nominee has completed, and any research that is in progress, with the following information:
 - (1) Title of the research study
 - (2) List of other researchers (if applicable)
 - (3) Date of completion or projected completion of the study
 - b. The nominee has shared their research findings, either through presentation at ANNA meetings or publication in appropriate journals. The nomination letter will provide the following:
 - (1) A list of presentations, including any co-presenters, with the title of the presentation, date, type of meeting, and site of meeting.
 - (2) A list of publications in APA format, including other authors (if applicable), publication date, title of article, name of the journal, volume and issue, and page numbers. Note if the journal is a referred journal.
 - c. Additional comments that support the nominee as an outstanding nephrology nurse researcher.
7. If there are no nominees for this award:
 - a. The Awards & Scholarship Committee Chair will be responsible for notifying the Research Committee Chairperson within two (2) days after the deadline date.
 - b. The Research Committee may then nominate a candidate(s) based on eligibility criteria.
 - c. The nomination must be submitted to the National Office within two (2) weeks of the deadline date.
