Candidate for ANNA President-Elect

Molly Cahill,
MSN, APRN, BC, ANP-C, CNN, FNKF, FANNA

Qualifications:

- Understands the real-world challenges facing nephrology nurses and is committed to addressing them through ANNA initiatives.
- Possesses the skills to enhance ANNA's impact and provide meaningful, comprehensive membership benefits.
- Advocates for equitable access to association resources for all nephrology nurses, with a focus on strengthening membership value.
- Experienced leader with deep roots in the association and a strong passion for its continued success.
- Actively listens to members and prioritizes meeting their evolving needs.
- Contributed to the development, redesign, and implementation of ANNA's strategic initiatives, with a track record of promoting organizational growth.
- Strong advocate for nephrology nursing representation in health policy discussions and legislative advocacy efforts.
- Believes in the vital role nephrology nurses play in educating policymakers.
- Leads with integrity, optimism, curiosity, empathy, work ethic, and self-awareness.
- I believe "If you are standing still, you are moving backwards" and plan to continue to move ANNA forward
- Emphasizes the importance of ongoing progress in a rapidly evolving landscape of technology, science, and collaboration.
- Committed to driving ANNA forward as the premier association for nephrology nurses through proven, forward-thinking leadership.
