Candidate for ANNA Secretary

Judy Kauffman,
DNP, MSN, RN, CNN

Qualifications:

- Proven nurse executive with expertise in governance, strategic planning, organizational leadership, quality improvement, and healthcare operations
- Local, state, and national ANNA speaker for nearly 30 years, dedicated to education, mentorship, advocacy, and developing future leaders
- Manage 300+ policies & procedures for an accredited program
- Dedicated to mentoring and developing nurse leaders
- Lean Six Sigma Yellow Belt
- Authored 20+ publications, national & local podium presenter
- Developed and lead new program initiatives to build outpatient services
- Served as clinical consult/advisory board for various pharmaceutical companies
- Recognized by Virginia Nurses Association, Leadership in Excellence
- Committed to transparent communication, organizational stewardship, collaboration, and strong governance
- Will bring integrity, accountability, and a member-focused approach to support ANNA's strategic priorities and strengthen the future of nephrology nursing
- Dedicated to strengthening member engagement, fostering leadership development, ensuring sound governance, and supporting ANNA's strategic vision
- Volunteer in the community to serve

I would be honored to earn your vote for ANNA Secretary. Together, we will continue to strengthen ANNA and advance the future of nephrology nursing.
